The following vehicles are part of the GM/GM Financial Repowering Services Program and are offered with no representation or warranty of any kind from any party (including Auction, GMF or GM), express or implied, including warranties of merchantability, fitness for a particular purpose and non-infringement. You are advised to personally examine any vehicle on which you intend to bid prior to the auction and/or sale. As a courtesy, condition reports are available prior to the sale, but GM assumes no responsibility for errors and omissions contained in any such report.
